

NATURALMENTE

GRAPES

50% Pinot Gris
50% Touriga Nacional

TASTING NOTES

This is a very innovative, fresh style of rose made from a blend of Touriga Nacional fermented in stainless steel and Pinot Gris that was fermented in second-use French oak barrels.

The Touriga Nacional provides the fruit & acidity to the blend while the Pinot Gris adds textural complexity. The result is an impressive, gastronomic Rose style.

Our Rose is bursting with bright, red fruit flavours of strawberry and raspberry that have a creamy textured palate. Extremely refreshing and dangerously drinkable this the perfect wine for the warm Portuguese summer months.

PAIRING SUGGESTIONS

Rose is such a great, fun wine to prepare with a wide range of foods. It is great with charcuterie, smoked salmon, grilled white meats, spicy Indian and Thai cuisine and even fresh strawberries with double cream. This is a wine to break rules with. Enjoy outdoors with friends.

CELLARING POTENTIAL

A wine ready to drink young and should be consumed within the first 3 years
